Home evacuation planning activity

Imagine you are looking down on your house from above, without the roof. Draw a floor plan of your home and draw the location of your fire extinguisher and two exit routes to your meeting points. Test it out and time how long it takes. Record your time here _____.

Double check, did everyone show up at the meeting point?

- Legend**
- Fire extinguisher
 - ★ Meeting place one
 - ✕ Exits
 - ▲ Second meeting place
 - Exit route (draw two)
