Next Steps

Memorial Drive ~ The Landscape of Memory The Future of Memorial Drive

Memorial Drive belongs to all Calgarians, and its future rests in our care. This is our opportunity to help shape this vital landscape so that it reflects the way that Calgarians wish to remember & commemorate.

Next Steps 15

- In February 2005, the project team will consider the input from this open house and revise the draft Design Development Plan.
- The final Design Development Plan will include a preliminary budget and a strategy for phasing in the project.
- City Parks will then present the Design Development Plan to Committee and then to City Council.
- A small component of the overall plan will be constructed this year to celebrate and kickoff the project, and Calgary's vision for a legacy to commemorate the veterans.
